

A Letter From Dr. Colette Yori Tobia

To My Dear Patients,

I would like to take this opportunity to thank you for the trust and confidence you have placed in me to take care of your podiatric needs over the past 6 years. I have made so many special personal connections and am grateful for all your support and kindness throughout the years. It is with mixed emotions that I am announcing my departure from Personal Podiatry Associates, PA effective February 7, 2024.

As much as I will miss everyone in Florida, the future is bright as I have accepted a wonderful job opportunity in Erie, Pennsylvania where I will be teaching at the LECOM School of Podiatric Medicine and practicing Podiatry with the Medical Associates of Erie. I will be returning to my roots in Pennsylvania where I have a lot of family ties and where I know my boys will love growing up with many cousins and lots of outdoor adventures.

It has been an honor and a pleasure to serve this community and to be in partnership with my good friend, Dr. Nicole Rodriguez. I will be leaving behind an amazing team who I know will continue to provide the best care for you, your family, and your friends. I can assure you that Dr. Rodriguez will continue to provide you with the gentle, friendly, and high-quality care that we have standardized in this practice.

Thank you for letting me be part of you and your family's lives. I have sincerely enjoyed serving you and I have valued our relationships greatly. I wish you all the very best.

With sincere thanks,

Colette E. Yori Tobia, DPM
